WENDY JAMES PRESS RELEASE

NEW LP 'THE PRICE OF THE TICKET' VINYL CD DIGITAL

“Wendy James new album ‘The Price Of The Ticket’ is brave and tender, artful and wild, where courage and the dream of love give promise. A wild, moving, shocking, hilarious, raging, exhilarating, giant of an album. A dazzling performance that listeners will delight in, it is intelligent, witty, irresistibly relentless and forthright”.

-Village Voice

Wendy James new solo LP 'The Price Of The Ticket' recorded in NYC, mixed in Berkeley CA. The players on this album are a bona-fide line-up from all-time Punk and New Wave bands... Lenny Kaye (The Patti Smith Group) on guitar, Glen Matlock (Sex Pistols) on bass, James Scavunos (Nick Cave & The Bad Seeds) on drums with tracks 12 and 13 recorded by Wendy James and James Williamson (Iggy and The Stooges), Steve Mackay (Iggy and The Stooges), James Scavunos (Nick Cave and The Bad Seeds).

All songs are written and produced by Wendy James, tracks 12 and 13 are cover versions of songs written Fred 'Sonic' Smith (MC5/Sonic's Rendezvous Band) and Bob Dylan respectively.

Wendy James has evolved in music legacy to where her first band Transvision Vamp is an iconic and collectable favorite and her new music is constantly a push for ever more current attitude and talent, followed and bought by proceeding generations of Alt-Rock n Roll fans the world over.

Cited by Miley Cyrus as her original pin-up and at the same time being on par with Patti Smith as an uncompromising artist, songwriter and musician.

Originally from London, now resident of NYC, she has achieved what few can or have: longevity and a forward motion trajectory in New Wave Garage Rock.

The release of 'The Price Of The Ticket' will include all formats: LP Vinyl, CD and Digital Download.

Wendy James will be touring and her setlist will include some songs from this album, some choice cuts from previous solo work and some favorites from Transvision Vamp. The package is presented with arresting and beautiful artwork by Kym Ellery and Roze Hooij.
